Assessment

Operational Principles

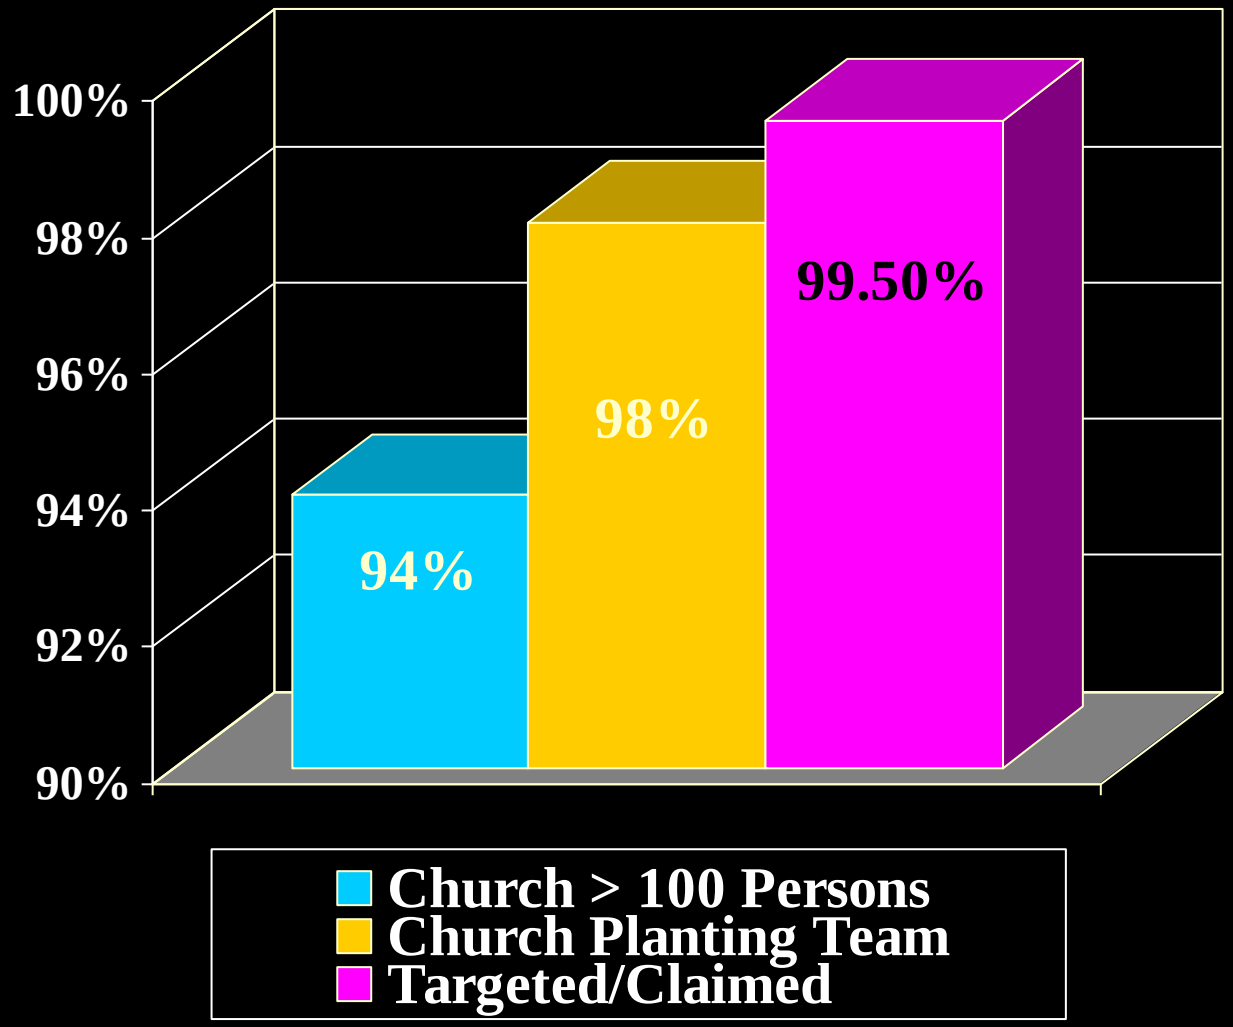

- Seeking to listen to what God is saying
- Thinking out of "the box"
- A pioneer spirit – new ideas
- Respond to the responders
- Based primarily on relationship
- Grass roots/bottom up
- Own nothing and control nothing

Critiques

- Time-target versus continuity of mission
- Gospel reductionism versus holistic mission
- Spiritual warfare praying versus other kinds of prayer
- Focus on the 10/40 Window versus “the whole world”
- Ad-hocracies versus established structures
- Managerial missiology / Pragmatism
